

Roof Brackets, Shinglers, Ladder Hook & Ladder Arms

RGC compliments its line of premier hoisting products with an assortment of Roof Brackets, Shinglers, Ladder Hooks and Ladder Arms to assist you with virtually any roofing job.

2 x 6 Roof Brackets

2 x 6 x 45° Standard Brackets

Holds a 2 x 6 wood plank snugly with no rocking or tipping. Can be used on all slopes up to a 12/12 pitch. Bracket can be removed without raising or damaging shingles.

Weight - 32 lbs./doz.

2 x 6 x 60° Brackets

Similar to the Standard brackets described above except that they hold a the wood plank at 60° to the roof pitch.

Weight - 32 lbs./doz.

2 x 6 x 90° Brackets

Similar to the Standard brackets described above except that they hold a the wood plank at 90° to the roof pitch.

Weight - 32 lbs./doz.

2 x 8 Adjustable Roof Brackets

Adjusts to Roof Pitch

Locking device is provided to prevent accidental closing at 45° and 56°. Holds a 2 x 8 wood plank for a wide horizontal platform. Three parts form a sturdy triangle. When folded they form a solid rectangular box for easy storage.

Weight - 38 lbs./doz.

2 x 10 Roof Brackets

2 x 10 x 45° Standard Brackets

Similar to the 2 x 6 standard bracket except that it holds a 2 x 10 wood plank for an extra wide work platform.

Weight - 40 lbs./doz.

Roof Shinglers

Narrow

Fits a 2 x 4 plank on edge to make a safe toe hold on shallow pitched roofs. The wide thin strap allows the bracket to be removed without raising the shingles that are laid over it.

Weight - 21 lbs./doz.

Wide Similar to the narrow model except that the 2 x 4 plank is held on the 4 in. side.

Weight - 24 lbs./doz.

Ladder Hook with Wheel

The wheel makes moving and aligning a ladder an easy task.

The swivel plate allows a ladder to be placed in the valley between the gables. The plate prevents the hook from cutting into asphalt shingles.

Weight - 6 lbs. ea.

Ladder Arms

A pair of arms supports a ladder without allowing it to contact the roof edge or gutter.

Weight - 4 lbs./pr.

Roof Brackets are sold in sizes to accept 2 x 6, 2 x 8 or 2 x 10 planks. Shinglers hold a 2 x 4 on either the 2 in. or 4 in. side. Ladder Arms support the ladder without allowing it to rest directly on the roof edge or gutter.

Roof Brackets

2x8, 2x10 & 2x6 Roof Brackets

Ladder Hook w/ Wheel & Roof Shinglers
